University Admission to Italy

From: Anar Hasanov, Edupath Education (Italy) · August 2026

About the Company

Edupath Education is a consulting company based in Italy (near Rome). We specialize in placing international graduates into Italian universities and operate through a university channel — partnering with source universities.

Our Experience and Results

Metric	Data
Students last year	30
Admission rate	95%
Scholarship rate	90% of admitted students received DSU/EDISU
Partner universities	Università di Bologna · Università degli Studi di Milano · Università degli Studi di Padova · Sapienza Università di Roma · Politecnico di Milano · Politecnico di Torino · Università Iuav di Venezia · Sorbonne Université (FR) · Université Paris-Saclay (FR) · TU München (DE) · Humboldt-Universität zu Berlin (DE) · University of Warsaw (PL) · Jagiellonian University (PL)
Source countries	Azerbaijan, Kazakhstan, CIS countries

Case studies (anonymized):

1. *Student A, Bachelor's in Economics, Azerbaijan* — admitted to Università di Pavia, LM-77; EDISU Lombardia scholarship approved; 2-year support.
2. *Student B, Master's in International Relations* — admitted to Università di Macerata, LM-52; ERDIS Marche scholarship approved (free dormitory + stipend).

Transparency: Partner organizations receive a 15% commission on the package price for each admitted student. This is disclosed to students openly — the partner recommends Edupath as a trusted provider and receives a referral commission to support international programs.

Our Advantages

- **Based in Italy** — we work with universities and government agencies in person, not remotely
- **DSU/EDISU scholarship specialization** — regional scholarships cover tuition + stipend + accommodation + meals (amounts vary by region, see below)
- **B2B university channel** — personalized approach, not mass B2C; we work through source universities
- **Russian + Italian + English** — a bridge between cultures
- **Full-duration support** — Master's 2 years, Bachelor's 3 years, PhD 3–4 years. We guide the student from document submission to graduation: scholarship renewal, enrollment in the next academic year, bureaucracy. We don't disappear after admission.

- **24/7 emergency support** — hotline for students and parents, local contact in every university city (see “Safety and Emergency Support” section)

DSU/EDISU Scholarships

The scholarship covers tuition + annual stipend up to €7 000 + accommodation + meals.

Partnership Terms with Edupath Education

Commission and Payment

Partner commission: 15% of the package price for each admitted student. Example: 5 students $\times$ €2340 $\times$ 15% = €1755 per cycle. Alternative — 10% discount for partner students, or a combined model (5% discount + 10% commission).

Transparency for students: The partner commission is openly disclosed to students. The partner recommends Edupath as a trusted provider and receives a referral commission to support international programs.

Student payment: 50% upon contract signing, 50% after admission confirmation. Installment plans available (on request — individually).

Commission payout to partner: Edupath pays the commission to the partner within 30 days after the student's admission is confirmed. Payment in euros (EUR), bank transfer. The partner issues an invoice.

Refund Policy

Independent dispute resolution: In case of disagreement over a refund — independent arbitration (the partner acts as mediator for their students; if necessary — international arbitration).

Agreement and Legal Framework

- **Contract type:** Formal MOU (Memorandum of Understanding) + annex with commission terms
- **Governing law:** Italian law (for Edupath) + partner country's law; international arbitration for disputes
- **GDPR:** Edupath complies with GDPR when processing student data; data is not shared with third parties without consent
- **Insurance:** Edupath carries professional liability insurance (policy provided upon signing)
- **Exclusivity:** Edupath undertakes not to enter similar partnerships with other education centers in the partner's country during the contract term (without the partner's written consent)
- **Termination:** Either party may terminate the contract with 60 days' notice; obligations regarding current students remain until their completion

Service Level Agreement (SLA)

Strategic Components (beyond commission)

- **Faculty exchange:** 1–2 partner faculty members per year — guest lectures/internships at Italian partner universities

Situation	Refund
Student not admitted to any university	100% refund minus €195 administrative fee
Student admitted but did not receive a scholarship	50% refund of Package 2 cost (since the scholarship is the core value of the package)
Rejection due to student's fault (failure to provide documents, missed deadlines)	No refund; "student's fault" is determined by a documented checklist of obligations
Force majeure (visa policy change, program cancellation by university)	100% refund

Parameter	Commitment
Response to student inquiry	Within 48 hours (business days)
Response to parent inquiry	Within 24 hours
Emergency request	Within 2 hours (24/7)
Partner report	Quarterly report on the status of all students
Escalation	If dissatisfied — contact Anar Hasanov directly; if unresolved — to partner's management

- **Summer schools:** Joint summer program in Italy for partner students (1–2 weeks)
- **Branding:** Partner logo placed on Edupath materials; joint presentations
- **Training:** Quarterly training for the partner's international cooperation office on the Italian education system

Pilot

3–5 students in the first cycle, free introductory online session, no obligations on either side. Based on results — decision on long-term partnership.

Due diligence period: 4–6 weeks before the pilot starts (verification of Edupath documents, legal review, agreement with partner's management).

Key Questions

Fields of study: Business (LM-77), International Relations (LM-52), Economics (LM-56), Architecture, Design, IT Management, Law, Foreign Languages, Engineering, Fashion.

Language: Master's programs — mostly in English (IELTS 6.0–6.5 required). Bachelor's — predominantly in Italian (B2 required — CILS/CELI/PLIDA); English-taught programs available (Bocconi, LUISS, Bologna CLABE). Edupath helps select a program matching the student's language level.

Timeline: Fall intake (September 2027) — start in January–March 2027. University pre-enrollment: January–April 2027. Spring intake (February 2027) — September–October 2026.

Scholarship: Awarded based on family income (ISEE) + academic performance. We guarantee correct submission, ISEE preparation, and maximum chances; if rejected, we file an appeal (on procedural grounds). Annual renewal is included — without it, the scholarship is cancelled.

Capacity: Personalized approach — up to 30 students per partner per year. We guarantee attention to each student, not a conveyor belt.

Difference from Pava / ApplyItaly: They are mass B2C (500+ students/year). We are a B2B university channel (up to 30 students/year per partner), based in Italy, specialized in scholarships, support until graduation, 24/7 emergency support.

Partner Universities and Fields

Below is a selection of Italian universities by key fields. The language of instruction, available levels (B — Bachelor's, M — Master's), and university type are indicated. The list is not exhaustive — we select programs individually based on the student's profile.

Public vs private: Public universities (PoliMi, PoliTo, Sapienza, Bologna, etc.) — cost €1 000–€3 500/year, DSU/EDISU scholarships apply. Private schools (IED, NABA, Domus, SPD) — €10 000–€20 000/year, DSU/EDISU **do not** apply.

Program selection: Edupath Education selects 3–5 universities matching the student's profile and budget. The listed programs reflect main fields; current specializations, languages, and requirements should be verified at the time of application — catalogs are updated annually.

Next Steps

1. Partner discusses the proposal with management
2. Edupath provides a **due diligence package** (registration, insurance, references) — 5 business days
3. Partner conducts **legal review** (4–6 weeks)
4. Partner identifies **3–5 graduates** interested in studying in Italy
5. Edupath Education conducts a **free introductory online session** for selected students and parents
6. Signing of a **formal MOU** (template agreed by legal departments of both parties)
7. Students choose a package — start of document preparation (November–December 2026)
8. University registration — **January–February 2027**
9. Submission to Italian universities — **February–April 2027**
10. Next meeting — **4–6 weeks** after receiving this document (time for due diligence)
